Last Updated: January 30, 2026

This Disclaimer and Liability Statement applies to all content, products, and services provided by UNPLECKABLE LLC, including but not limited to our YouTube channel, website, social media presence, and any other platforms where we operate.

1. General Disclaimer

The information and content provided by UNPLECKABLE LLC are for entertainment and informational purposes only. While we strive to provide accurate and up-to-date information, we make no representations or warranties of any kind, express or implied, about the completeness, accuracy, reliability, suitability, or availability of any information, products, services, or related graphics contained in our content.

2. Entertainment Content Disclaimer

Our content is primarily created for entertainment purposes. Gaming videos, commentary, reviews, and other content are subjective opinions and personal experiences. What we enjoy or recommend may not be suitable or enjoyable for everyone.

Viewer discretion is advised. Some content may contain:

- Mature themes, language, or gaming content rated for older audiences
- Simulated violence or intense action (typical of video games)
- Humor or commentary that may not be suitable for all ages

3. Product Reviews and Recommendations

3.1 Personal Opinions

All product reviews, game reviews, hardware recommendations, and purchase suggestions represent our personal opinions and experiences. Your experience with any product may differ from ours. We encourage you to conduct your own research and read multiple reviews before making any purchase decision.

3.2 No Professional Advice

We are not professional technology consultants, financial advisors, or licensed experts. Our recommendations are based on personal use and experience, not professional expertise. Always consult with qualified professionals for important purchasing decisions, especially for expensive equipment or investments.

3.3 Product Specifications and Pricing

Product specifications, features, availability, and pricing mentioned in our content are subject to change without notice. We are not responsible for errors in product information or changes made by manufacturers or retailers after our content is published. Always verify current information directly with the manufacturer or retailer before making a purchase.

4. Affiliate Link Disclaimer

Our content may contain affiliate links. This means we may earn a commission if you make a purchase through our links, at no additional cost to you. These commissions help support our channel and allow us to continue creating content.

The presence of an affiliate link does not influence our honest opinion of a product. We only recommend products we genuinely believe have value. However, we encourage you to make your own informed decisions and not rely solely on our recommendations.

See our [Affiliate & Sponsor Disclosure Policy](#) for more details.

5. Sponsored Content Disclaimer

Some of our content may be sponsored by brands or companies. Sponsored content will always be clearly disclosed in accordance with FTC guidelines and platform requirements. While we maintain editorial control over sponsored content, sponsors may influence the topics we cover or products we feature.

We only accept sponsorships from brands we believe align with our audience's interests, but a sponsorship does not necessarily mean we endorse all aspects of a sponsor's business or products beyond what is specifically discussed in the sponsored content.

6. Gaming Content and Age Ratings

We play and review games with various age ratings, including Mature (M) and Adult Only (AO) titles. Parents and guardians should review game ratings and our content before allowing minors to watch. We are not responsible for ensuring that our content is appropriate for all ages.

Game ratings (ESRB, PEGI, etc.) are provided by the respective rating organizations, not by us. We recommend consulting official rating information and parental guides when selecting games for minors.

7. Technical and Gameplay Information

7.1 System Requirements and Performance

Performance information, frame rates, system requirements, and technical specifications mentioned in our content are based on our personal setup and testing. Your experience may vary based on your hardware, software, internet connection, and other factors. We are not responsible for performance issues or technical problems you may encounter.

7.2 Game Strategies and Tips

Gameplay strategies, tips, walkthroughs, and guides are based on our personal playstyle and experience. They may not work for everyone and may become outdated due to game updates, patches, or meta changes. We are not responsible if our strategies do not work for you or result in negative gameplay outcomes.

8. Third-Party Links and Content

Our content may include links to third-party websites, services, or products. We have no control over the content, privacy policies, or practices of these third-party sites and are not responsible for any information, products, or services they provide. Accessing third-party links is at your own risk.

We do not endorse or make any representations about third-party websites or their content. The inclusion of any link does not imply endorsement, and we encourage you to review the terms and privacy policies of any third-party sites you visit.

9. Accuracy of Information

While we make reasonable efforts to ensure the accuracy of information in our content, we do not guarantee that all information is current, complete, or error-free. The gaming industry changes rapidly, with frequent updates, patches, and new releases. Information that was accurate at the time of recording may become outdated.

We are not liable for any decisions you make based on information in our content. Always verify important information from official sources before making decisions or taking action.

10. No Warranty

OUR CONTENT AND SERVICES ARE PROVIDED "AS IS" AND "AS AVAILABLE" WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, OR THAT USE OF OUR CONTENT WILL BE UNINTERRUPTED OR ERROR-FREE.
